

Moose Memo

Can you believe that November is already here and the 2007 year is almost coming to an close? I guess time flies when you are having fun. Speaking of fun, as I write this letter, the weather is so nice and many golfers are hurrying around to get out to their tee-times. The course is in great shape and for the next several weeks, we can play in cool, calm conditions and enjoy the beauty of our golf course with all of the changes of the season. This is one of my favorite times of the year to golf and if you are not coming out to play, you are missing the prime time golfing weather. We are also in the process of liquidating many of the clubs, shoes, bags and other merchandise in the pro shop and now is the time to pick out those Christmas gifts before they are gone. Drop by and do some shopping and while you are at it, bring a friend and play some golf.

This month we are going to offer something new and different for that person whom we can never seem to figure out what they want for Christmas. As a one-time special, Castlewoods Country Club will allow the purchase of ten guest green fee passes with carts included for just \$350.00. This is a one-time charge and these passes can be used at any time during the upcoming 2008 year. What a great way to save money when you have your guests come out to play golf at Castlewoods. That's right, ten passes to play eighteen holes with the cart fee included. That comes out to only paying \$20 per round plus the normal cart fee. What a unique gift to give for this time of the year and best of all you can use these passes in any way you wish. Give them to friends or neighbors, bring out customers or clients or maybe just conduct a business meeting on the golf course. Use them or lose them

during 2008 but the choices are endless. If you are ready to purchase these one-time passes just contact the pro shop and we will get your certificates printed out and ready to use.

As I look at the Christmas party calendar for this year, I notice there are several parties already scheduled during this and next month. If you are interested in booking your Christmas or year end party at Castlewoods, now is the time to call for a booking. The new club house is a great place for any type of gathering and we can accommodate almost any size get-together. Call for more information and speak with Jeanhee at 601-992-1942.

You may also notice a new face in the Castlewoods' offices this month. **Kim Mason** is heading up our new membership drive at the club. Kim will be glad to help anyone with information regarding joining the club and if you know of anyone who might be interested in joining Castlewoods, please pass this information on to Kim and she will be glad to share the good news about the golf, tennis and swimming memberships we have available. If fact if you are a member and refer someone to Kim, after they have signed up for the new membership and paid their initiation and first month's dues, Castlewoods will be glad to pay your next month's membership dues for helping us increase our numbers. Just fill out a referral form with all the necessary information included and give it to Kim and she will do all the work. Now that's a nice gesture in helping you continue to support and enhance your own club but this referral fee is for a limited time only, so please hurry and take advantage of this bonus.

Tennis NEWS

League Updates/Adult Tennis News

There were seven teams competing out of Castlewoods during this year's Fall USTA Doubles league and two teams playing in the Jackson Ladies league. Both Anthony Carpenter and Mary Nell Anderson's 6.5 teams finished second in their divisions. Both teams went 6-1 in their divisions and Mary Nell's team gained a play-off spot with the potential birth into the state championship still riding on the playoff. Not bad at all for two teams that didn't even exist prior to this season. Thanks to all who participated in this fun league.

Single leagues are now on for the Fall/Winter season. There are three men's teams and two woman's teams this season out of Castlewoods.

The Saturday morning ladies intra-club has 22 participants playing from 10:00—12:00, so if you are wanting to play on Saturday morning you had best get to the courts early on Saturdays.

Junior News/Clinics

The number of juniors playing at our club has grown immensely. Coaches Amy Murray and Terri Ramsey did an outstanding job creating enthusiasm and an interest of the game of tennis to the students at Pinelake who participated in the after school program.

Winter Session Clinics: 6-week session beginning the week of November 6.

Ages 4-6 4:00-4:45 Wednesdays

Ages 7-13 4:00-5, Tues. & Thurs.

Woody & Cheri Bonds have done a great job in captaining the girls 12U USTA team. The girls have gotten off to a 3-0 start by defeating three different teams from River Hills. Those afternoon practices are paying off. Congratulations: Ellie, Jenny, Emma, Cady, Jourdan and Ashland.
